## TO WHOMSOEVER IT MAY CONCERN

This is to state and certify that the entire premise for Sarvajanic College of Engineering & Technology including AAERT & The SSB Faculty of Architecture of Sarvajanic Education Society is a secured campus with big compound walls with 5 entry gates having professional security and the entire building is secured by IP based CCTV Cameras and is centrally monitored by the concern administrative departments.

Further to state that the institute is conducting annual Safety Programmes like, Fire safety Mock drills, Self-defence awareness programmes, etc. for students and staff members. Staff members are given training to protect students against any kind of abuse they are subjected to.

The entire premise is under surveillance and outsiders are not allowed without necessary permissions.

This certificate is issued for the purpose of AICTE Requirement.
